Clarification On nefarious attempts to link us to the unfortunate collapse of a tunnel in Uttarakhand

It has come to our notice that some elements are making nefarious attempts to link us to the unfortunate collapse of a tunnel in Uttarakhand. We strongly condemn these attempts and those behind them. We clarify with utmost emphasis that the Adani Group or any of its subsidiaries has no direct or indirect involvement of any kind in the tunnel's construction. We also clarify that we do not own or hold any shares in the company involved in the tunnel's construction. At this time, our thoughts and prayers are with the trapped workers and their families.
